## PRICE LIST

Valid from 2015-04-01

# Terms of sale

---

## Prices

All prices are gross prices excluding VAT. All prices are individual unit prices unless otherwise stated. The price charged will be the price on the date of delivery.

## Deliveries

All products are delivered ex warehouse. The freight is charged on the invoice, if consignee freight is not required.

Packaging costs excluded.

The products are guaranteed to be free from defects and undamaged when dispatched.

In the case of damaged or goods mislaid during transportation, a report should be made to the transport company.

## Warranty

The warranty is valid for 24 months from the date of delivery unless otherwise stated.

The warranty only covers manufacturing or material and does NOT cover normal wear and tear.

Products for which a claim is made will not be replaced if they show evidence of damage resulting from incorrect handling or installation. This also covers, for example, damage due to reversing, driving into ditch, jack-knifing, overloading and modifications such as drilling or welding.

The warranty does not cover liability in any form for direct or indirect damages for personal injury or damage to property, or for downtime or loss of use and interruption to operations.

# Safety behind the wheels

## ▶ Drive safely

Being able to drive safely on treacherous road surfaces is essential to road safety, and sometimes to life itself. You would be well advised to take Onspot along for the journey. A friend to rely on in difficult conditions.

## ▶ In the right place at the right time

Speed and time are two important aspects of current professional life. More and more people are promising fast deliveries. Onspot makes it easier for you to keep your promises.

## ▶ Everyone wants to be popular

Delivery reliability is one of the weightiest factors behind a good reputation. And a good reputation always leads to more business. A situation that means your Onspot equipment pays for itself time and time again.
