Terms of Sale

Prices

All prices are gross prices excluding VAT, ex warehouse in Vänersborg. All prices are individual unit prices unless otherwise stated.

Deliveries

All products are delivered ex warehouse Vänersborg. The freight is charged on the invoice, if consignee freight is not required. Packaging costs excluded. The products are guaranteed to be free from defects and undamaged when dispatched.

Warranty

The warranty is valid for 24 months from the date of delivery unless otherwise stated.

The warranty only covers manufacturing or material and does NOT cover normal wear and tear.

Products for which a claim is made will not be replaced if they show evidence of damage resulting from incorrect handling or installation. This also covers, for example, damage due to reversing, driving into ditch, jack-knifing, overloading and modifications such as drilling or welding.

The warranty does not cover liability in any form for direct or indirect damages for personal injury or damage to property, or for downtime or loss of use and interruption to operations.
